## **Puppy Deposit Agreement**

### **1. Purpose of Deposit**

This deposit secures Buyer's place for a puppy from a DreamWinds Farm litter, either currently available or planned for the future. A deposit indicates Buyer's serious intent to purchase and agreement to this Deposit Agreement and the Full Puppy Purchase Contract.

### **2. Deposit Amount & Terms**

The required deposit is **\$500** and is applied toward the total purchase price. Deposits are **non-refundable** once a puppy is reserved.

### **3. Transfer or Refund of Deposit**

If a specific color or sex is not available, the deposit may be transferred to a future litter. If DreamWinds Farm cancels the sale, the deposit will be refunded in full.

### **4. Selection Order**

Puppy selection order is based on the date deposits are received. Earlier deposits receive earlier selection priority.

### **5. Tail Docking Acknowledgment**

Puppies are tail docked as part of routine neonatal care. Requests for natural (undocked) tails must be made before docking occurs. Requests made after docking cannot be accommodated.

### **6. Holding Fees**

Puppies held beyond ten (10) weeks of age incur a holding fee of **\$75 per week**. Holding fees are non-refundable.

### **7. No Ownership Until Transfer**

Submission of a deposit does not constitute transfer of ownership. Ownership transfers only when the puppy leaves DreamWinds Farm's possession.

### **8. Governing Law**

This agreement is governed by the laws of the State of Kentucky.

### **9. Agreement**

By submitting a deposit, Buyer acknowledges they have read, understand, and agree to this Deposit Agreement and the Full Puppy Purchase Contract.
